# VILLAGE OF SOUTH AMHERST INCOME TAX INSTRUCTIONS

## WHO MUST FILE:

**Every Resident**, full or partial year, 18 years of age and older, must file a tax return, whether or not taxes are due. **An Exemption Certificate must be filed if there is no income.**

**Every Business Entity**, whether a resident or non-resident, who conducts a business in South Amherst must file a return and pay any tax on that profit. If you have a net loss you are still required to file a return. ("Business" includes rental income.)

**Individuals**, earning income in South Amherst not subject to the withholding of South Amherst income tax must also file a return.

If you received a preprinted form from this office, be sure to file, even if you had no taxable income for the year. If you are not subject to South Amherst tax, complete the exemption certificate on the front of the form, and sign and date the return and mail to us. This will remove you from subsequent delinquency lists.

**RETIREEES:** As of January 1, 2016, the State of Ohio has mandated that all persons over the age of 18 are required to file a municipal income tax return regardless of income or liability. An Exemption Certificate must be filed if there is no earned income to report. (ORC 718.05)

**UNDER 18:** If a person is under 18, was employed in the Village of South Amherst and had South Amherst taxes withheld, send in W-2(s) with a copy of a driver's license or birth certificate and a refund will be issued.

**FILING STATUS:** Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the Village of South Amherst. Filing a joint return will neither increase nor decrease your Village of South Amherst tax liability. Husband and wife may file joint returns, in which case both must sign the return and submit their social security numbers.

**WHEN TO FILE:** Taxpayers who end their taxable year on December 31 must file on or before the IRS due date. Taxpayers on a fiscal year must file on or before the 15th day of the fourth month after the close of that fiscal year or other period.

**EXTENSIONS:** If the filing deadline cannot be met, a copy of the federal request for extension or a letter, which includes name, address, social security or federal identification number, must be filed by the due date of the return. **An extension request is not an extension of time to pay.** Payment of any estimated tax due should accompany the extension request. If you filed a federal extension, it will be honored if attached to the tax return and postmarked by the extended IRS due date.

**PARTIAL YEAR RESIDENTS:** If you only lived in South Amherst during part of the year you must file a tax return covering that time. Report the amount of income you earned while you lived in South Amherst. Pay statements with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in South Amherst cannot be determined, you may divide your earnings by the number of months employed at the job arriving at a monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income you must also pro-rate your city tax that was withheld on the same income. **Attach a worksheet explaining your calculations.**

**DECLARATION OF ESTIMATED TAX FOR THE COMING YEAR:** Taxpayers who expect to receive taxable income for the coming year **must** declare estimated tax payments (25% of full amount may be paid at the time of filing the Annual Return). The estimated tax payments due June 15th, September 15th, and December 15th will be billed. This declaration is **mandatory**, if your tax is greater than \$200.00.

**NET OPERATING LOSSES:** The net loss from an unincorporated business activity may not be used to offset salaries, wages, commissions or other compensation. Operating losses may be carried forward for a maximum period of five years, and may be used to reduce taxable income. 100% of Pre-2017 losses may be used; however, Post 2017 losses can only be utilized at 50%. **An NOL schedule must accompany this return.**

**LATE FILING PENALTY:** Except in those cases where an extension was filed, a late filing penalty of \$25.00 per month, not to exceed \$150.00, shall be due on returns filed after the due date, even when no tax is due.

**LATE PAYMENT PENALTY & INTEREST:** A penalty will be charged on unpaid tax - 15% of the amount not timely paid plus interest. Interest at the rate of .5% per month will be charged from the original due date of the return until date of actual payment.

**AMENDED RETURNS:** Amended returns are accepted by completing an income tax return with the words "Amended Return" written in red ink across the top and indicating the year being amended. The amended return is required within three (3) months of the final determination of any changed tax liability resulting from the Federal audit, Judicial decision, or other circumstances.

**TAXABLE INCOME:** South Amherst income tax is levied at the rate of 1%. Income taxable to the Village is listed below. While this list is not comprehensive, it encompasses most of the taxable situations.
